Indigestion Loss of Strength And Appetite.

The testimony of Mr. R. Dennis, Adelaide, South Australia, who was cured by Ayer's Sarsaparilla, is like unto that of many thousands of others. He writes:

"It is with very much pleasure that I testify to the great benefit I received from using your wonderful blood-purifier. I was a sufferer for years from indigestion, loss of strength and appetite, and constipation. My whole system seemed to be thoroughly out of order. A friend finally told me to take Ayer's Sarsaparilla. I followed his advice, though feeling discouraged at the fruitless results of other treatment, and I am thankful to state that a few bottles completely cured me."

The medicine that has cured others will cure you.

Beware of imitations. The name—Ayer's Sarsaparilla—is prominent on the wrapper and blown in the glass of each bottle.

MURDERED ON HAWAII

Headless Body of a Japanese Found in
Ookala Gulch.

Coroner's Jury Returns a Verdict of Death by
Violence at the Hands of Some
Person Unknown.

The steamer Nooka from Hawaii this morning brought word of rumors of a murder in Kohala, the victim being a Japanese who was found dead in a gulch, where the body had evidently been lying for some time.

Marshal Brown was seen by a BULLETIN reporter this morning and asked for any information on the subject. He was inclined to think that a mistake had been made in the locality and that it was Ookala instead of Kohala.

"I received a letter by the Kinau," said the Marshal, "which probably explains the rumor and is all I know about it. The letter is from Sheriff Andrews and was written on the 10th of this month. He has gone to Ookala to investigate the affair and I shall not be likely to hear anything more until he reports."

The letter is as follows:

"Yesterday a Japanese was found dead in a gulch at Ookala plantation. The head was severed from the body and missing, but the deputy sheriff, Mr. Overend, thought that it had been severed by dogs or mongoose eating away the flesh of the neck. The Coroner's jury rendered a verdict today of death by violence of some unknown person. I start at daylight in the morning for Ookala to see if any trace can be got of the affair."

No Cricket Today.

As stated in yesterday's issue there will be no cricket match this afternoon. The reason is that several members of the base ball team are in Company E and are on duty today.

As the next two Saturdays are public holidays the game has been arranged for the afternoon of the third Saturday from date, which will be January 8.
